---

**MISSION STATEMENT:**

**Ilene R Tyler, LLC** provides architecture, planning, materials assessment, and historic preservation consulting services. Prior to forming her own company, Ms. Tyler served for 28 years as Principal and Director of Preservation at Quinn Evans Architects. With over 40 years of experience, Ms. Tyler fully understands existing building components and construction assemblies, and has extensive experience in historic documentation. She has directed large and small rehabilitation and preservation projects and has a comprehensive understanding of rehabilitation costs to ensure contextually appropriate and cost-effective design solutions.

**EDUCATION:**

University of Michigan, Bachelor of Architecture, 1970; alumni Board of Governors of the College of Architecture and Urban Planning, 2013-present

**SELECTED PROJECTS AND ROLES (while working at Quinn Evans Architects):**

**MICHIGAN STATE CAPITOL, Lansing, Michigan**

Principal-in-Charge of multiple projects to preserve and maintain the exterior masonry, copper roofs, and cast iron and sheet metal dome. Work completed in the early 1990s under Ms. Tyler's direction is being reassessed and updated after 25 years in service. Her memory and continuity on the project have been invaluable to the building owners and the project team.

**POTTER STEWART U.S. COURTHOUSE, Cincinnati, Ohio**

Director of Preservation for the restoration and modernization of this 1930s Federal courthouse. The \$30 million renovation balanced advanced technologies in security, acoustics, and audiovisual systems with protection of the building's historic features.

**WAYNE COUNTY COURTHOUSE, Detroit, Michigan**

Project Manager for the original rehabilitation in 1988 and again in 2014 for a due diligence inspection and feasibility study for renovating and updating this 1902 Beaux Arts courthouse and adapting it for contemporary office use.

**OLD COURTHOUSE, JEFFERSON NATIONAL EXPANSION MEMORIAL, NATIONAL PARK SERVICE, St. Louis, Missouri**

Principal-in-Charge for multiple projects to inspect, document, and oversee restoration of key systems of the building envelope, with a special emphasis on identifying and correcting water infiltration, correcting seismic deficiencies, and restoring material failure. The new copper roof received a design award from the Copper Development Association.

**FRIST CENTER FOR THE VISUAL ARTS, Nashville, Tennessee**

Project Manager for restoration of key historic materials of the former Federal building that was adapted and rehabilitated as a museum the visual arts.

**PUBLICATIONS:**

Co-author of the popular preservation book: Historic Preservation: An Introduction to Its History, Principles, and Practice by Norman Tyler, Ted Ligibel, and Ilene Tyler, W.W. Norton & Co, 2009. Three peer-reviewed articles in the APT Bulletin, and other writings and publications.

**REGISTRATION:**

Michigan, 1983, and NCARB certification.
