---

**MISSION STATEMENT:** I strive to make the world a better place by advocating for the built environment.

**BIOGRAPHY:** Ms. Tyler served for 28 years as Principal and Director of Preservation at Quinn Evans Architects. With almost 50 years of experience, Ms. Tyler fully understands existing building components and construction assemblies and has extensive experience in historic documentation. She has directed large and small preservation projects and has a comprehensive understanding of rehabilitation costs to ensure contextually appropriate and cost-effective design solutions.

**EDUCATION:** University of Michigan, Bachelor of Architecture, 1970; Alumni Board of Governors of the College of Architecture and Urban Planning, 2013-present

**PUBLICATIONS:** **Historic Preservation: An Introduction to Its History, Principles, and Practice** by Norman Tyler, Ilene R. Tyler, and Ted Ligibel, W.W. Norton & Co, 3<sup>rd</sup> ed., 2018. **Greek Revival in America: Tracing its architectural roots to ancient Athens** by Norman Tyler and Ilene R. Tyler, CreateSpace, 2014. Association for Preservation Technology (APT) *Bulletin*: authored four peer-reviewed papers, reviewed several books.

**MEMBERSHIP:** American Institute of Architects (Emeritus Member)  
National Trust for Historic Preservation (Forum Member)  
Association for Preservation Technology, International  
Michigan Historic Preservation Network  
Ann Arbor Preservation Alliance

**SELECTED PROJECTS:** **FIRST CHURCH OF CHRIST, SCIENTIST, Boston, Massachusetts**  
Restored the terra cotta domes, flat roofs, limestone upper façade, and granite base of this landmark Beaux-Arts church.

**WAYNE COUNTY COURTHOUSE, Detroit, Michigan**  
Restored exterior sandstone of this 1902 Beaux-Arts courthouse, rehabilitated interior, adapting it for office use.

**YPSI-ANN BUILDING, Ann Arbor, Michigan**  
Rehabilitated ground level storefronts to meet HDC guidelines.

**PERE MARQUETTE DEPOT BUILDING, Bay City, Michigan**  
Reconstructed tower and canopies, new clay tile roof, restored 2-story waiting room and ticket office, baggage area, and second floor offices.

**PARTHENON, Nashville, Tennessee**  
Restored John J. Earley decorative concrete exterior, color scheme for the exterior plaster soffit and frieze, and acroteria and pediment sculptures.

**MICHIGAN STATE CAPITOL, Lansing, Michigan**  
Restored exterior sandstone, copper roofs, and cast iron and sheet metal dome. Work completed in the early 1990s, updated after 25 years.

**BAY CITY CITY HALL, Bay City, Michigan**  
Restored exterior clay tile roof and stone chimneys, and fire-damaged interior atrium, perimeter offices, and Council Chambers.

**OLD COURTHOUSE, JEFFERSON NATIONAL EXPANSION MEMORIAL, NATIONAL PARK SERVICE, St. Louis, Missouri**  
Restored copper roof and masonry cornices, correcting water infiltration, seismic deficiencies, and material failures of the exterior envelope.
